- Sono stati valutati e abilitati all'immatricolazione esclusivamente gli studenti che hanno ottenuto la soglia di ammissione e che si sono registrati nel sistema informatico delphi inserendo anche il voto di maturità. **Gli studenti che risultano in elenco ma che effettueranno tale registrazione successivamente all'11 settembre, dovranno comunicarlo via mail a segreteria-studenti@ing.uniroma2.it indicando nell'oggetto test TOLC-I e la data di svolgimento**
- **Link per la registrazione:**
https://delphi.uniroma2.it/totem/jsp/aS_1_1.jsp?opzione=1&language=IT
- Come si calcola la soglia di ammissione: $(2 \times \text{voto TOLC-I} \times 0.8) + (\text{voto maturità} \times 0.2)$
- Chi non avesse raggiunto la soglia minima prevista per l'ammissione stabilita in 25/100, potrà:
 - seguire i precorsi che sono iniziati il 9 settembre (date pubblicate al sito: www.ing.uniroma2.it),
 - sostenere nuovamente il test nelle altre date/sedi disponibili
 - sostenere un colloquio con un docente di ingegneria
- L'immatricolazione sarà possibile dal 1 settembre al 5 novembre 2019 (senza indennità di mora). Le istruzioni su come procedere sono indicate all'art. 5 dell'avviso pubblicato al seguente link: [file:///C:/Users/DMLMNL00/Downloads/Procedure immatricolazione CdL Ingegneria 2019-2020%20\(1\).pdf](file:///C:/Users/DMLMNL00/Downloads/Procedure%20immatricolazione%20CdL%20Ingegneria%202019-2020%20(1).pdf)
